

Act and Federal regulations, as included in the HUD-approved operating budgets. Examples include maintenance and modernization, augmentation of operating reserves, protective services, and resident services. Such use shall not result in the reduction of the operating subsidy otherwise payable to the PHA under 24 CFR part 990.

(5) In connection with any other type of Federal, State, or local housing program for low-income families, as described in the homeownership plan.

#### § 906.16 Replacement housing.

(a) *Replacement requirement.* As a condition for transfer of ownership under a HUD-approved homeownership plan, the PHA must obtain a funding commitment, from HUD or another source, for the replacement of each of the dwellings to be sold under the plan. Replacement housing may be provided by one or any combination of the following methods:

(1) Development by the PHA of additional public housing under 24 CFR part 941 (by new construction or acquisition).

(2) Rehabilitation of vacant public housing owned by the PHA.

(3) Use of five-year, tenant-based certificate or voucher assistance under Section 8 of the Act.

(4) If the homeownership plan is submitted by the PHA for sale to residents through an RMC, resident organization or cooperative association which is otherwise eligible to participate under this part, acquisition of nonpublicly-owned housing units, which the RMC, resident organization or cooperative association will operate as rental housing, comparable to public housing as to term of assistance, housing standards, eligibility, and contribution to rent.

(5) Any other Federal, State, or local housing program that is comparable, as to housing standards, eligibility and contribution to rent, to the programs referred to in paragraphs (a)(1) through (a)(3) of this section, and provides a term of assistance of not less than five years.

(b) *Funding commitments.* Although a HUD funding commitment is required if the replacement housing requirement is to be satisfied through any of the HUD programs listed in paragraph

(a) of this section, HUD's approval of a Section 5(h) homeownership plan on the expectation that such a funding commitment will be forthcoming shall not constitute a binding obligation to make such a commitment. Where the requirement is to be satisfied under a State or local program, or a Federal program not administered by HUD, a funding commitment shall be required from the proper authority.

(c) *Use of sale proceeds to fund replacement housing.* Sale proceeds that are generated under the homeownership plan may be used under some of the replacement housing options under paragraph (a) of this section (e.g., rehabilitation of vacant public housing units, or an eligible local program). Where a homeownership plan provides for sale proceeds to be used for replacement housing, HUD approval of the plan and execution of the PHA-HUD implementing agreement shall satisfy the funding commitment requirement of paragraph (a) of this section, with regard to the amount of replacement housing to be funded out of sale proceeds.

(d) *Consistency with current housing needs.* Replacement housing may differ from the dwellings sold under the homeownership plan, as to unit sizes or family or elderly occupancy, if the PHA determines that such change is consistent with current local housing needs for low-income families.

(e) *Inapplicability to prior plans.* This section shall not apply to homeownership plans that were submitted to HUD under the Section 5(h) Homeownership Program prior to October 1, 1990.

#### § 906.17 Records, reports, and audits.

The PHA shall be responsible for the maintenance of records (including sale and financial records, which must include information on the racial and ethnic characteristics of the purchasers) for all activities incident to implementation of the HUD-approved homeownership plan. Until all planned sales of individual dwellings have been completed, the PHA shall submit to HUD annual sales reports, in a form prescribed by HUD. The receipt, retention, and expenditure of the sale proceeds shall be covered in the regular independent audits of the PHA's public
